Turn-Key Enclosure Solutions

The Medium Security MDU enclosure is manufactured from heavy gauge galvanized steel, stainless steel hardware and powder coated a light beige color. It features a lift up latching door, replaceable padlock hasp, knockout for security screw, 2"x1.5" round knockouts on the bottom of the enclosure and a 1/2" plywood equipment mounting board.

Ideal for any MDU application, the medium security enclosure is designed to be user friendly and provide years of maintenance-free service.
